Professional Summary

Computer Science Engineering student with strong skills in Java and hands-on experience in full-stack web development. Experienced in building scalable applications using React, Node.js, Express, and MongoDB, with a passion for software engineering and problem-solving.

Education

CVR College of Engineering , Hyderabad, Telangana B.Tech in Computer Science Engineering	<i>Expected May 2027</i> <i>CGPA: 8.87</i>
TSWR COE , Gowlidoddi, Telangana Class XII (Intermediate – MPC)	<i>2022</i> <i>92.4%</i>
TSWRS , Maripeda, Telangana Class X (SSC)	<i>2020</i> <i>100%</i>

Certifications

- Applied Database Systems using Oracle AI Database
- Introduction to Networking for Cyber Professionals – Zscaler
- Juniper Networks Certified Associate – Junos (JNCIA-Junos)

Learning Certifications

- Become a Full-Stack Web Developer – LinkedIn Learning
- Generative AI for Web Developers: AI-Powered Pair Programming for Full-Stack Development – LinkedIn Learning

Technical Skills

- **Programming Languages:** Java, C, Python
- **Frontend Technologies:** React, HTML5, CSS3, Bootstrap
- **Backend Technologies:** Node.js, Express, Flask
- **Databases:** SQL, MongoDB
- **Tools & Platforms:** Git, GitHub, Oracle AI Database

Projects

Web-Based Finance Tracker

- Developed a full-stack web application to track personal income and expenses with categorized transactions.
- Implemented secure user authentication and session management.
- Built RESTful APIs using Node.js and Express for managing financial records.
- Integrated MongoDB database to store user transactions and account data.
- Designed responsive user interfaces for adding transactions and viewing expense summaries.

AskCVR – AI College Chatbot

- Developed an AI-powered chatbot using Python, Flask, and NLP techniques.
- Automated responses for student queries related to academics, clubs, placements, and campus facilities.
- Achieved response times under 2 seconds through optimized backend logic.
- Implemented secure authentication and database-driven responses.
